BILL NUMBER:S8314

TITLE OF BILL: An act to amend the executive law and the state finance law, in relation to expanding opportunities for women and minority-owned business enterprises and increasing competition and diversity in procurements by the state and its public authorities; and to amend chapter 261 of the laws of 1988 amending the state finance law and other laws relating to the New York state infrastructure trust fund, in relation to the effectiveness of article 15-A of the executive law **PURPOSE:**

This bill would amend the Executive Law and State Finance Law to increase accountability under Article 15-a of the Executive Law and the Public Authorities Law, to expand opportunities for minority and women-owned business enterprises ("MWBE") and to rectify past discrimination in contracting as set forth in the disparity study published on April 29, 2010 (the "2010 Disparity Study").

SUMMARY OF PROVISIONS:

Section 1 of the bill would set forth legislative findings.

Section 1-a of the bill would set forth the title of the law.

Section 2 of the bill would amend Executive Law 310 to add definitions of "lessee," "personal net worth," "small business," "the disparity study," and "diversity practices," and amends the definitions of "minority-owned business enterprise" and "women-owned business enterprise" to restrict them to small businesses and to limit their ownership to individuals whose net worth does not exceed a certain amount.

Section 3 of the bill would add a new Executive Law 4-a to create the position of Chief Diversity Officer for the State and define the responsibilities of such officer.

Section 3-a of the bill would amend State Finance Law 161(1)(a) to add the Chief Diversity Officer to the New York State Procurement Council.

Section 4 of the bill would amend Executive Law 312-a to recommission a statewide disparity study to be delivered to the Governor and Legislature by February 15, 2016, and to include in that disparity study a review of contractor employment and management practices in regard to qualified minorities and women.

Section 5 of the bill would amend Executive Law ? 313 to: * Set statewide goals for contracting with certified MWBEs based on the calculations of the 2010 Disparity Study, which the State will attempt to meet; * Require the Director ("Director") of the Division of Minority and Women's Business Development ("DMWBD") to provide state agencies with the 2010 Disparity Study; * Require agencies to establish agency-specific goals for contracting with certified MWBEs based on the 2010 disparity study; * Provide for the promulgation of regulations by the Director to,

among other things: (a) establish measures and procedures to ensure maximum feasible participation by MWBEs in state contracting; (b) provide for certification and decertification of MWBEs; (c) require contract solicitations to state the expected degree of MWBE participation; (d) require agencies to provide a list of certified MWBEs to prospective contractors; (e) allow certified MWBEs to use their own work as contractors to meet subcontractor goals; (f) provide for joint ventures that bidders may count towards MWBE participation; (g) provide for circumstances under which a contractor may waive obligations to subcontract with MWBEs; (g) require that agencies verify MWBE participation; (h) provide for collection of statistical data concerning MWBE participation; and (i) require agencies to consult the 2010 disparity study when setting agency-specific goals. * Define state contracts, solely for purposes of MWBE participation, to include leases of real property where the terms of such leases provide for construction, demolition, replacement, or major repair or renovation of such property exceeding \$100,000; and * Require agencies to engage in good faith efforts to meet the goals they have adopted pursuant to Executive Law Article 15-A and the Director's regulations.

Section 6 of the bill would amend the Executive Law to add a new section 313-a to require the Director to promulgate regulations requiring state agencies to assess the diversity practices of contractors submitting bids or proposals in connection with the award of a State contract where practicable, feasible and appropriate. These regulations are required to be adopted in consultation with the State Procurement Council established pursuant to Executive Law § 161.

Section 7 of the bill would amend Executive Law § 315 to require enhanced reporting by state entities regarding their compliance with the provisions of Article IS-A, and the submission of an annual report by the Director assessing the effectiveness of each State entity's MWBE program.

Section 7 of the bill would also require that agencies that substantially fail to meet their agency-specific goals must submit to the Director a remedial action plan. Where the Director finds that an agency has failed within one year to act in good faith to implement the remedial action plan, the Director would direct

additional remedial measures as follows: * Assurance that the agency is making sufficient and effective efforts to solicit MWBEs; * Division of contract requirements when economically feasible; * Elimination of extended capitalization and experience requirements when programmatically and economically feasible; * Identification of particular contracts as particularly appropriate for MWBEs; and * Upon a finding by the Director that an agency has failed to take affirmative measures to follow the remedial actions set forth by the director and in the absence of objective progress towards the agency's goals, require some or all of the agency's procurement to be placed under the direction or control of another agency or agencies for a specified period of time.

Section 8 of the bill would amend Executive Law § 314(2-a) to revise the procedures under which the Director certifies MWBEs for New York municipalities to add a cap on personal net worth of \$3.5 million adjusted for inflation, and to require that an MWBE be a small business.

Section 9 of the bill would amend Executive Law § 316 to enhance the penalties for contractors that willfully or intentionally disregard their responsibilities to utilize MWBE firms. Such enhanced penalties include debarment of contractors from submitting bids to any contracting agency for a period of up to one year, or up to five years if a second violation occurs within a five-year period.

Section 9 would also amend the dispute resolution procedures of Article 15-A to require complaints to be heard by a hearing officer of the DMWBD rather than an outside arbitrator.

Section 10 of the bill would amend the Executive Law to add a new section 316-a to require State agencies to include a provision in their contracts that would permit them to assess liquidated or other appropriate damages against a contractor for failure to comply with the MWBE requirements.

Section 11 of the bill would provide a severability clause.

Section 12 of the bill would authorize and direct the State Financial System to assist the Director in the implementation of this Act.

Section 13 of the bill would amend the opening paragraph of subdivision (h) of section 121 of Chapter 261 of the Laws of 1988 to move the date on which Article 15-E of the Executive Law is deemed repealed from December 31, 2018 to December 31, 2016.

Section 14 of the bill would provide that this legislation take effect days after it becomes law, but further provides that the Director shall commence rulemaking procedures immediately upon enactment. JUSTIFICATION:

In 2006, the Empire State Development Corporation commissioned a disparity study to evaluate whether minority and women-owned businesses had a full and fair opportunity to participate in state contracting. The results of that study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business

Enterprises: Evidence from New York." The report found evidence of statistically significant disparities between participation of MWBEs in the New York market and the availability of such businesses. It concluded that these disparities could not be explained by factors untainted by discrimination. This legislation is one of three bills that seek to address the findings of the disparity study, to remedy the results of past discrimination and to provide MWBEs with a full and fair opportunity to compete for contracting opportunities in New York State. The legislation also addresses recommendations of the task force created by Governor Paterson under Executive Order No. 10 to increase the utilization of minority and woman-owned business enterprise underwriters for State debt offerings ("MWBE Task Force"). The MWBE Task Force, which issued its final report on March 24, 2010, also considered other sectors of professional services (legal, banking, financial brokerage and insurance) and made recommendations regarding the procurement of these services to level the playing field and to help ensure that firms in these sectors were given fair and adequate opportunity to participate in State business. As part of its report, the Task Force recommended that legislation be enacted to increase accountability on the part of State agencies and public authorities regarding their compliance with existing provisions of law pertaining to participation by MWBEs and to promote the State's utilization of MWBE and non-MWBE firms that have sound diversity practices. Although New York State currently has laws that address procurement from MWBEs and, while such laws have continued to evolve since 1973 when the New York State Office of Minority Business Enterprise was first established, those laws have not been sufficiently effective because of the lack of adequate oversight, reporting and accountability by State entities. Therefore, this legislation seeks to provide a framework so that State agencies and public authorities can be held accountable for their commitment to MWBE participation and diversity in the area of procurement. Specifically, it would provide for agency-specific goals based on the disparity study; establish a road map for agency efforts to meet those goals, including the adoption of remedial plans for substantial failure to do so; grant the Director various tools to alter agency contracting practices when there is a lack of good faith efforts to implement the remedial plan; create a new process for resolution of disputes; and impose new sanctions for bad faith actions by contractors. Finally, the legislation would adopt several measures to focus Article 15-A on the goal of remedying the discrimination set forth in the disparity study, by assisting those businesses that have been historically excluded. In particular, it would impose a net worth cap on the ownership of certified MWBEs, require that such certification be limited to small businesses, provide that Article 15-

A sunset in December 2016, two years earlier than under current law, and authorize a new disparity study to determine the status of the market and any evidence of continuing discrimination at the time the statute comes up for reauthorization. This legislation, and the two companion bills submitted with it, will strengthen existing tools to promote participation by MWBE firms in state contracts and the utilization of contractors, suppliers and consultants with sound diversity practices. Furthermore, the legislation will help keep the State and its constituent entities accountable for their actions in this regard. In sum, it will create a process for remedying the past discrimination uncovered by the 2010 Disparity Study, and establish equal opportunity for all businesses in New York.

EXISTING LAW: Executive Law Article 15-A sets forth the current MWBE program in state contracting.

LEGISLATIVE HISTORY: This is a new bill.

FISCAL IMPLICATIONS: This bill would have no material fiscal impact on the State or localities. It would heighten various responsibilities of State agencies and the DMWBD, but such responsibilities would be addressed through existing resources.

EFFECTIVE DATE: This bill would take effect 90 days after it becomes law, provided that the Director may commence rulemaking procedures immediately upon enactment.

Introduced by Sen. HASSELL-THOMPSON -- (at request of the Governor) - read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the executive law and the state finance law, in relation to expanding opportunities for women and minority-owned business enterprises and increasing competition and diversity in procurements by the state and its public authorities; and to amend chapter 261 of the laws of 1988 amending the state finance law and other laws relating to the New York state infrastructure trust fund, in relation to the effectiveness of article 15-A of the executive law THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings. New York state ("the state") declares that it is the public policy of the state to promote and encourage the continuing economic development of minority and women-owned businesses, that minority and women-owned businesses participate in the state procurement process as both prime contractors and subcontractors and that the state procurement process operate and award contracts in a manner that is free from discrimination and bias against minority and women-owned businesses that are ready, willing and able to engage in business with the state. The state first adopted its Minority and Women-Owned Business Enterprise

Program in 1988 to address the significant underrepresentation of minority and women-owned businesses in state contracts, despite relatively large populations of minorities and women throughout the state. The program, chaptered within article 15-A of the executive law, supported the state's commitment to promote equal opportunity in employment for all persons, without discrimination on account of race, creed, color, national origin, sex, age, disability or marital status, to promote equality of economic opportunity for minority group members and women, business enterprises owned by them, and to eradicate through effective programs the barriers that have unreasonably impaired access by minority and women-owned business enterprises to state contracting opportunities. EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [] is old law to be omitted. LBD17551-10-0

S. 8314 2 In 2006, a disparity study was commissioned by the empire state development corporation, pursuant to executive law section 312-a, to evaluate whether minority and women-owned businesses in the state contracting marketplace had full and fair opportunities to compete for prime contracts and associated subcontracts. Published on April 29, 2010, "the State of Minority and Women-Owned Business Enterprise: Evidence From New York" ("the 2010 disparity study"), found strong evidence of large, adverse, and statistically significant disparities between minority and women participation in business enterprise activity in the state's relevant market area and the actual current availability of those businesses. The study further concluded that said disparities could not be explained solely, or even mostly, by differences between minority and women-owned businesses and non-minority and women-owned business populations in factors untainted by discrimination, and that the differences therefore gave rise to a strong inference of the presence of discrimination. The findings of the study are hereby adopted by the legislature. The legislature further finds that the Assembly conducted hearings on the efficiency and effectiveness of services to minority and women-owned businesses and on the effectiveness of article 15-A of the executive law in Utica, New York on February 23, 2005, in New York City on March 3, 2005, and in Syracuse, New York on October 25, 2005; it conducted a hearing on the efforts by public authorities to attract and retain women and minority-owned businesses in securing contracts for construction, goods, and services on June 11, 2002 in Albany, New York, and a hearing on access to surety bonding on state contracts for small, minority and women-owned businesses on April 14, 2005 in New York City. The Senate conducted hearings on the efficiency and effectiveness of services to minority and women-owned business and on the effectiveness of article 15-A of the executive law at the Legislative Office Building hearing rooms in Albany, New York on February 12, 2009, on Minority and Women Owned Business Enterprise participation opportunities in public finance/asset management, and on March 3, 2010 on the reform of article 15-A of the executive law. At these hearings, testimony was received that supplemented and was consistent with the anecdotal evidence set forth in the 2010 disparity study that women and minority-owned businesses participate in state procurements at significantly lower percentages than their numbers and expertise would indicate would be expected if no discrimination had existed and provided anecdotal evidence of continuing patterns of discrimination. The legislature further finds that in order to redress the discrimination documented by the study it is necessary to implement a program that identifies businesses owned by minorities and by women and that actively promotes the participation of such businesses in the state procurement process. The legislature further finds that it is in the best interests of the economic development of the state to enact the 2010 Business Diversification Act to redress discrimination against minority and women-owned

business enterprises in the state marketplace.

S. 8314 8 3. SOLELY FOR THE PURPOSE OF PROVIDING THE OPPORTUNITY FOR MEANINGFUL PARTICIPATION BY CERTIFIED BUSINESSES IN THE PERFORMANCE OF STATE CONTRACTS AS PROVIDED IN THIS SECTION, STATE CONTRACTS SHALL INCLUDE LEASES OF REAL PROPERTY BY A STATE AGENCY TO A LESSEE WHERE: THE TERMS OF SUCH LEASES PROVIDE FOR THE CONSTRUCTION, DEMOLITION, REPLACEMENT, MAJOR REPAIR OR

RENOVATION OF REAL PROPERTY AND IMPROVEMENTS THEREON BY SUCH LESSEE; AND THE COST OF SUCH CONSTRUCTION, DEMOLITION, REPLACEMENT, MAJOR REPAIR OR RENOVATION OF REAL PROPERTY AND IMPROVEMENTS THEREON SHALL EXCEED THE SUM OF ONE HUNDRED THOUSAND DOLLARS. REPORTS TO THE DIRECTOR PURSUANT TO SECTION THREE HUNDRED FIFTEEN OF THIS ARTICLE SHALL INCLUDE ACTIVITIES WITH RESPECT TO ALL SUCH STATE CONTRACTS. Contracting agencies shall include or require to be included with respect to state contracts for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon, such provisions as may be necessary to effectuate the provisions of this section in every bid specification and state contract, including, but not limited to: (a) provisions requiring contractors to make a good faith effort to solicit active participation by enterprises identified in the directory of certified businesses provided to the contracting agency by the office; (b) requiring the parties to agree as a condition of entering into such contract, to be bound by the provisions of section three hundred sixteen of this article; and (c) requiring the contractor to include the provisions set forth in paragraphs (a) and (b) [above] OF THIS SUBDIVISION in every subcontract in a manner that the provisions will be binding upon each subcontractor as to work in connection with such contract. Provided, however, that no such provisions shall be binding upon contractors or subcontractors in the performance of work or the provision of services that are unrelated, separate or distinct from the state contract as expressed by its terms, and nothing in this section shall authorize the director or any contracting agency to impose any requirement on a contractor or subcontractor except with respect to a state contract. [3.] 4. In the implementation of this section, the contracting agency shall (A) CONSULT THE FINDINGS CONTAINED WITHIN THE DISPARITY STUDY EVIDENCING RELEVANT INDUSTRY SPECIFIC AVAILABILITY OF CERTIFIED BUSINESSES; (B) IMPLEMENT A PROGRAM THAT WILL ENABLE THE AGENCY TO EVALUATE EACH CONTRACT TO DETERMINE THE APPROPRIATENESS OF THE GOAL PURSUANT TO SUBDIVISION ONE OF THIS SECTION; (C) consider WHERE PRACTICABLE, THE SEVERABILITY OF CONSTRUCTION PROJECTS AND OTHER BUNDLED CONTRACTS; AND (D) CONSIDER compliance with the requirements of any federal law concerning opportunities for minority and women-owned business enterprises which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of any such law duplicate or conflict with the provisions hereof and if such duplication or conflict exists, the contracting agency shall waive the applicability of this section to the extent of such duplication or conflict. [4.] 5. (a) Contracting agencies shall administer the rules and regulations promulgated by the director IN A GOOD FAITH EFFORT to [ensure compliance with the provisions of this section] MEET THE MAXIMUM FEASIBLE PORTION OF THE AGENCY'S GOALS ADOPTED PURSUANT TO THIS ARTICLE AND THE REGULATIONS OF THE DIRECTOR. Such rules and regulations: shall require a contractor to submit a utilization plan after bids are opened, when bids are required, but prior to the award of a state contract; S. 8314 9 shall require the contracting agency to review the utilization plan submitted by the contractor and to post the utilization plan and any waivers of compliance issued pursuant to subdivision [five] SIX of this section on the website of the contracting agency within a reasonable period of time as established by the director; shall require the contracting agency to notify the contractor in writing within a period of time specified by the director as to any deficiencies contained in the contractor's utilization plan; shall require remedy thereof within a period of time specified by the director; shall require the contractor to submit

periodic compliance reports relating to the operation and implementation of any utilization plan; shall NOT ALLOW ANY AUTOMATIC WAIVERS BUT SHALL allow a contractor to apply for a partial or total waiver of the minority and women-owned business enterprise participation requirements pursuant to subdivisions [five and] six AND SEVEN of this section; shall allow a contractor to file a complaint with the director pursuant to subdivision [seven] EIGHT of this section in the event a contracting agency has failed or refused to issue a waiver of the minority and women-owned business enterprise participation requirements or has denied such request for a waiver; and shall allow a contracting agency to file a complaint with the director pursuant to subdivision [eight] NINE of this section in the event a contractor is failing or has failed to comply with the minority and women-owned business enterprise participation requirements set forth in the state contract where no waiver has been granted. (b) The rules and regulations promulgated pursuant to this subdivision regarding a utilization plan shall provide that where enterprises have been identified within a utilization plan, a contractor shall attempt, in good faith, to utilize such enterprise at least to the extent indicated. A contracting agency may require a contractor to indicate, within a utilization plan, what measures and procedures he or she intends to take to comply with the provisions of this article, but may not require, as a condition of award of, or compliance with, a contract that a contractor utilize a particular enterprise in performance of the contract. (c) Without limiting other grounds for the disqualification of bids or proposals on the basis of non-responsibility, a contracting agency may disqualify the bid or proposal of a contractor as being non-responsible for failure to remedy notified deficiencies contained in the contractor's utilization plan within a period of time specified in regulations promulgated by the director after receiving notification of such deficiencies from the contracting agency. Where failure to remedy any notified deficiency in the utilization plan is a ground for disqualification, that issue and all other grounds for disqualification shall be stated in writing by the contracting agency. Where the contracting agency states that a failure to remedy any notified deficiency in the utilization plan is a ground for disqualification the contractor shall be entitled to an administrative hearing, on a record, involving all grounds stated by the contracting agency. Such hearing shall be conducted by the appropriate authority of the contracting agency to review the determination of disqualification. A final administrative determination made following such hearing shall be reviewable in a proceeding commenced under article seventy-eight of the civil practice law and rules, provided that such proceeding is commenced within thirty days of the notice given by certified mail return receipt requested rendering such final administrative determination. Such proceeding shall be commenced in the supreme court, appellate division, third department S. 8314 10 and such proceeding shall be preferred over all other civil causes except election causes, and shall be heard and determined in preference to all other civil business pending therein, except election matters, irrespective of position on the calendar. Appeals taken to the court of appeals of the state of New York shall be subject to the same preference. [5.] 6. Where it appears that a contractor cannot, after a good faith effort, comply with the minority and women-owned business enterprise participation requirements set forth in a particular state contract, a contractor may file a written application with the contracting agency requesting a partial or total waiver of such requirements setting forth the reasons for such contractor's inability to meet any or all of the participation requirements together with an explanation of the efforts undertaken by the contractor to obtain the required minority and women owned business enterprise participation. In implementing the provisions of this section, the contracting agency shall consider the number and types of minority and women-owned business enterprises located in the region in which the state contract is to be performed, the total dollar value of the state

contract, the scope of work to be performed and the project size and term. If, based on such considerations, the contracting agency determines there is not a reasonable availability of contractors on the list of certified business to furnish services for the project, it shall issue a waiver of compliance to the contractor. In making such determination, the contracting agency shall first consider the availability of other business enterprises located in the region and shall thereafter consider the financial ability of minority and women-owned businesses located outside the region in which the contract is to be performed to perform the state contract. [6.] 7. For purposes of determining a contractor's good faith effort to comply with the requirements of this section or to be entitled to a waiver there from the contracting agency shall consider:

(a) whether the contractor has advertised in general circulation media, trade association publications, and minority-focus and women-focus media and, in such event, (i) whether or not certified minority or women-owned businesses which have been solicited by the contractor exhibited interest in submitting proposals for a particular project by attending a pre-bid conference; and (ii) whether certified businesses which have been solicited by the contractor have responded in a timely fashion to the contractor's solicitations for timely competitive bid quotations prior to the contracting agency's bid date; and (b) whether there has been written notification to appropriate certified businesses that appear in the directory of certified businesses prepared pursuant to paragraph (f) of subdivision three of section three hundred eleven of this article; and (c) whether the contractor can reasonably structure the amount of work to be performed under subcontracts in order to increase the likelihood of participation by certified businesses. [7.] 8. In the event that a contracting agency fails or refuses to issue a waiver to a contractor as requested within twenty days after having made application there for pursuant to subdivision [five] SIX of this section or if the contracting agency denies such application, in whole or in part, the contractor may file a complaint with the director pursuant to section three hundred sixteen of this article setting forth the facts and circumstances giving rise to the contractor's complaint together with a demand for relief. The contractor shall serve a copy of S. 8314 11 such complaint upon the contracting agency by personal service or by certified mail, return receipt requested. The contracting agency shall be afforded an opportunity to respond to such complaint in writing. [8.] 9. If, after the review of a contractor's minority and women owned business utilization plan or review of a periodic compliance report and after such contractor has been afforded an opportunity to respond to a notice of deficiency issued by the contracting agency in connection therewith, it appears that a contractor is failing or refusing to comply with the minority and women-owned business participation requirements as set forth in the state contract and where no waiver from such requirements has been granted, the contracting agency may file a written complaint with the director pursuant to section three hundred sixteen of this article setting forth the facts and circumstances giving rise to the contracting agency's complaint together with a demand for relief. The contracting agency shall serve a copy of such complaint upon the contractor by personal service or by certified mail, return receipt requested. The contractor shall be afforded an opportunity to respond to such complaint in writing.

S 6. The executive law is amended by adding a new section 313-a to read as follows:

S 313-A. DIVERSITY PRACTICES OF STATE CONTRACTORS. THE DIRECTOR SHALL PROMULGATE RULES AND REGULATIONS SETTING FORTH MEASURES AND PROCEDURES TO REQUIRE ALL CONTRACTING AGENCIES, WHERE PRACTICABLE,

FEASIBLE AND APPROPRIATE, TO ASSESS THE DIVERSITY PRACTICES OF CONTRACTORS SUBMITTING BIDS OR PROPOSALS IN CONNECTION WITH THE AWARD OF A STATE CONTRACT. SUCH RULES AND REGULATIONS SHALL TAKE INTO ACCOUNT: THE NATURE OF THE LABOR, SERVICES, SUPPLIES, EQUIPMENT OR MATERIALS BEING PROCURED BY THE STATE AGENCY; THE METHOD OF PROCUREMENT REQUIRED TO BE USED BY A STATE AGENCY TO AWARD THE CONTRACT AND MINORITY AND WOMEN-OWNED BUSINESS UTILIZATION PLANS REQUIRED TO BE SUBMITTED PURSUANT TO SECTIONS THREE HUNDRED TWELVE AND THREE HUNDRED THIRTEEN OF THIS ARTICLE; AND SUCH OTHER FACTORS AS THE DIRECTOR DEEMS APPROPRIATE OR NECESSARY TO PROMOTE THE AWARD OF STATE CONTRACTS TO CONTRACTORS HAVING SOUND DIVERSITY PRACTICES. SUCH ASSESSMENT SHALL NOT IN ANY WAY PERMIT THE AUTOMATIC REJECTION OF A BID OR PROCUREMENT CONTRACT PROPOSAL BASED ON LACK OF ADHERENCE TO DIVERSITY PRACTICES. EACH BID OR PROPOSAL SHALL BE ANALYZED ON AN INDIVIDUAL PER BID OR PER PROPOSAL BASIS WITH THE CONTRACTOR'S DIVERSITY PRACTICES CONSIDERED AS ONLY A PART OF A WIDER CONSIDERATION OF SEVERAL FACTORS WHEN DECIDING TO AWARD OR DECLINE TO AWARD A BID OR PROPOSAL. THE DIRECTOR SHALL DEVELOP THE RULES AND REGULATIONS REQUIRED HEREUNDER ONLY AFTER CONSULTATION WITH THE STATE PROCUREMENT COUNCIL ESTABLISHED BY SECTION ONE HUNDRED SIXTY-ONE OF THE STATE FINANCE LAW.
